Good morning,
I found this case. It was incoming mailroom for the SPRE's.
Who do I charge this case to?

Linda and Sonya,

As we have looked in the SPRE area and the Examiner's office and due to exigency of the situation of Reissues counted and not mailed, we will likely need to reconstruct --- 09/023146. Neither Clay nor William have the case. I will discuss with you on Monday on your return.

If you
send this
case
to someone
pls charge
it to
that
person
